BASEBALL MANITOBA

Baseball Manitoba is committed to furthering the development of amateur baseball at both the national and international levels. While the pursuit of excellence at all levels is a primary goal, we realize the need to provide participants with opportunities which enable them to reach their realistic level of potential, ability and interest. We realize the need to continually develop our programs and resources, thereby improving both the technical and administrative delivery of services to members and participants across the province.

BASEBALL MANITOBA MISSION STATEMENT

To foster and provide leadership in the development of baseball to our members and the Manitoba baseball community.

"Creating a memorable baseball experience!"

On behalf of Baseball Manitoba, I would like to welcome all the athletes, volunteers, coaches, officials, parents and family members to the 2019 Baseball Manitoba Awards Banquet. Tonight, we celebrate baseball by recognizing outstanding performances and valuable contributions by our baseball community.

A great big thank You to all our sponsors during this last season. Baseball Manitoba has several long-standing contributors who are greatly appreciated for their generosity. One of those partners, the Winnipeg Goldeyes helped celebrate Baseball Manitoba night at Shaw Park by wearing Baseball Manitoba jerseys for the game.

This season Manitobans created memorable baseball experiences across the country and in our own province. The Western Canadian Senior AA Championships hosted in Stonewall saw the home team capture the gold medal. Oak River claimed the bronze medal in the tournament.

In other WCBA tournaments in the west, the Elmwood Giants won a silver medal in 21U. In AA competition, Morden 13U collected a bronze and Altona 18U won the gold medal.

Manitoba's 21U Women and BoniVital 13U each earned a bronze medal at Canadian National events in Ottawa, Ontario and Cloverdale, BC.

In July and August there were 16 provincial events with great baseball played at every age group while determining provincial Champions. Each community had a tremendous team of volunteers and the baseball community is grateful.

Challenger Baseball had another year of success with leagues in St. James, Winnipeg South, North Winnipeg and Carberry. Once again, tremendous groups of volunteers helped more than 60 participants create a memorable baseball experience.

This night is to recognize countless hours and great effort to improve baseball in Manitoba. Stakeholders such as players, coaches and umpires worked together this season to improve and challenge each other. Parents and volunteers who strive to give opportunity with facilities and events. Congratulations to all nominees, award winners and inductees.

I would like to recognize and thank Baseball Manitoba's Management Committee and our office staff for their dedication and efforts in helping baseball grow and prosper in our province. Finally, I would like to thank you, our members, for your commitment, passion, enthusiasm and time in helping deliver and grow baseball in Manitoba.

Andrew Budge passed away suddenly, on December 11, 2010 at the age of 24. A vibrant and active young man, Andrew played in the Winnipeg South system. The Oak Park graduate was close to completing his Kinesiology program at the University of Winnipeg. His passion was always involved with sports, be it as a spectator, participant, trainer or coach. Following his passing, friends and family created the Andrew Budge Memorial Scholarship.

The scholarship is open to students entering the first year of a full-time post-secondary programming at an accredited university or college. One scholarship of \$1,000 towards tuition and/or textbook expenses is available, with preference given to those with past and planned participation with baseball in Manitoba.
